

CME 2025 board 1405

1. Sunscreens part 1: Mechanisms and efficacy

DOI: [10.1016/j.jaad.2024.02.065](https://doi.org/10.1016/j.jaad.2024.02.065)

2. Sunscreens part 2: Regulation and safety

DOI: [10.1016/j.jaad.2024.02.066](https://doi.org/10.1016/j.jaad.2024.02.066)

3. Part 1: Management of antithrombotic medications in dermatologic surgery

DOI: [10.1016/j.jaad.2024.01.096](https://doi.org/10.1016/j.jaad.2024.01.096)

4. The skin microbiome in dermatologic disease

DOI: [10.1016/j.jaad.2024.07.1499](https://doi.org/10.1016/j.jaad.2024.07.1499)

5. Laser tattoo removal strategies: Part II: A review of the methods, techniques, and complications involved in tattoo removal

DOI: [10.1016/j.jaad.2024.05.097](https://doi.org/10.1016/j.jaad.2024.05.097)

6. Hand eczema—Part 1: Epidemiology, pathogenesis, diagnosis, and work-up

DOI: [10.1016/j.jaad.2024.09.048](https://doi.org/10.1016/j.jaad.2024.09.048)

7. Hand eczema—Part 2: Prevention, management, and treatment

DOI: [10.1016/j.jaad.2024.09.049](https://doi.org/10.1016/j.jaad.2024.09.049)

8. Lentigo maligna part I: Epidemiology, risk factors, and diagnosis

DOI: [10.1016/j.jaad.2024.09.065](https://doi.org/10.1016/j.jaad.2024.09.065)

9. Cutaneous Diseases of Penoscrotal Skin—Part I: Benign and Neoplastic Lesions

DOI: [10.1016/j.jaad.2024.05.103](https://doi.org/10.1016/j.jaad.2024.05.103)

10. Cutaneous Diseases of Penoscrotal Skin—Part II: Infectious and Inflammatory Dermatoses

DOI: [10.1016/j.jaad.2024.05.104](https://doi.org/10.1016/j.jaad.2024.05.104)
